FORUM AND DEVOTIONAL ASSEMBLIES

Devotional assemblies, featuring General Authorities of the Church, are held each Tuesday. Forum assemblies, featuring renowned scholars, artists, personalities, and students, are held each Thursday. All assemblies meet from 10 to 11 a.m. in the fieldhouse. (Those students who attend assemblies for credit must attend in one of the following four places: Smith Fieldhouse, deJong Concert Hall, Joseph Smith Auditorium or Varsity Theater. Devotional assemblies are carried by closed-circuit TV to the deJong Concert Hall, Joseph Smith Auditorium, and by sound to the Varsity Theater.) These assemblies are designed to promote spiritual, intellectual, and cultural growth, and are world-famous for large attendance and high quality. Every student is urged to participate in this unique BYU experience.

Students can register for either or both series. Each series carries $\frac{1}{2}$ credit hour per semester. To obtain credit in a series, a student must register for and attend eleven assemblies per semester and must fill out and sign a certification of attendance form that will be handed to him on the last week that a forum or devotional assembly is held each semester.

During the student's college career at BYU, he may apply a maximum of four semester hours of devotional credit toward the general education requirement in religion. Such credit, however, cannot be substituted for the courses required in the first two years of religious instruction. (For full instruction on basic requirements in religion, see Pages 5-6 of this schedule.) Credit for forum assemblies may be counted toward total credit for graduation.

ACADEMIC REGULATIONS OF BRIGHAM YOUNG UNIVERSITY

Every student is responsible for knowing the academic regulations of Brigham Young University. Any proposed deviation from these regulations must be approved by the agency concerned, usually the Academic Regulations Committee. This committee meets twice each month in the Office of the Registrar.

1. HOW TO REGISTER

Report to the northeast entrance of the fieldhouse 15 minutes before your scheduled registration time. Written instructions outlining the registration procedure will be given to you at that time.

2. FEES—WHERE PAID

Unless otherwise noted, all fees listed in this class schedule are to be paid at the Cashier's area during registration (After registration in D-155 ASB).

3. LATE REGISTRATION PENALTY

Students failing to register on the regularly scheduled registration dates pay a late registration fee of \$5.00 for the first five regular school days following the scheduled registration date. A \$10.00 fee will be assessed following that time. Late fees for part-time students will be assessed at 50 percent of the rate for full-time students. A fraction of an hour is counted as a full hour for assessing fees.

4. ADMISSION TO CLASS

Instructors will receive rolls of students in their classes three days after the completion of regular registration. A subsequent roll will be sent out during the third week and will include names of all students registering for that class. Students whose names appear on the rolls are officially registered; others should be referred immediately to the Registration Office, B-150 ASB.

5. REGISTERING FOR BLOCK-PLAN CLASSES

Regardless of whether or not a class is to be taught the first or second half of the semester, any student desiring to register for a block-plan class must do so at the time of his original registration at the beginning of the semester. No block-plan class may be added after Friday October 2, 1970. Second-block classes start Monday, November 13, 1970.

6. DROPPING AND ADDING CLASSES

Students should exercise great care in completing their initial registration. Making changes in registration results in inconvenience for the student and unnecessary costs for the University.

All changes in registration must be approved by the student's adviser and the instructor(s) involved. Changes in a student's original program may not be made until September 23.

During the period from September 23 through October 2, a student may add or drop classes if his adviser and instructor(s) agree that the change is advisable. In exceptional cases, students may withdraw from classes until November 20. When a student officially withdraws from a class during the period of October 2 through November 20 his permanent record will carry a "W." Withdrawals after November 20 are for nonacademic emergency reasons only and require the signature of the Dean of the student's college in addition to the signature of the student's adviser and teacher. During this last period if a student withdraws from a class in which he is doing passing work, his permanent record will carry a "W." If a student is doing failing work, his permanent record will carry a "WE" which is equivalent to an "E" grade in calculating a grade-point average. Withdrawals will not be permitted after January 8, 1971.

In those cases where it is necessary for a student to make changes in registration, the following procedure should be followed:

1. Consult with your faculty adviser. If the adviser recommends the change, he will provide a change-of-registration card with his signature.
2. Obtain the consent and signatures of the instructors involved.
3. Pay a \$5.00 fee to the University cashier if the change is made Monday, October 5 or thereafter.
4. Deliver the change-of-registration card to registration personnel in the ELWC during the first two weeks of the semester, or B-150 ASB thereafter.

Any person dropping a class in religion following the initial registration must also add another class in religion or present a signed statement from the dean of the College of Religious Instruction officially excusing him for that semester.

Late registration of students will end on Friday, October 2. No student may register after that date. Those persons who have been released from a mission or active duty with the armed forces between October 2 and November 13 and are eligible for the block plan will register at midsemester registration November 13, 1970.

Students completely withdrawing from school must clear through the Dean of Students Office.

Students who register for either first or second block-plan classes during the regular or late registration and desire to make a change must do so by October 2, 1970.

7. EXTRA FEE FOR EVENING CLASSES

An extra fee of \$3.00 per credit hour, in addition to the regular tuition, is required for all daytime students taking Evening Classes with section numbers 90 or above. This fee must be paid on the day of registration at the fieldhouse or on the day that an Evening Class is later added. Failure to do so will result in a late fee of \$2.50. Day students must register for these classes at the time they register for their day classes. Those registering for evening classes only will

register, pay fees, and finalize at the Department of Evening Classes office in the Herald R. Clark Building. Those registering for Evening Classes only should contact the Department of Evening Classes office for registration dates.

8. GENERAL EDUCATION REQUIREMENTS

A candidate for a bachelor's degree must satisfy the following general education requirements:

Area Requirements	Semester Hours Required
American history and government	3
Biological science	6
English composition and literature	6
Health	2
Humanities and fine arts	6
Physical education	2
Physical science	6
*Religion (2 hours per semester in residence)	16
Social science	5

A student must also complete one of the two options described below:

- A. Mathematics, statistics, logic, science 6
- B. Foreign language 8 advanced credit hours
(See section titled "General Education Program" in 1968-70 Catalog of Courses for additional information.)

*See section titled "Interpretation of University Policy" on religion requirements in 1968-70 Catalog of Courses.

(For further details see 1968-70 Catalog of Courses, Pages 17-23.)

9. AMERICAN HISTORY AND GOVERNMENT REQUIREMENT

The American history and government requirement (History 170) applies to all candidates for the bachelor's degree. It may be satisfied by examination or by course work. The examination, which is optional, will be announced in the Daily Universe early in each semester.

The following combinations will also fill this requirement: History 120 and 121, History 121 and Political Science 110, or Economics 274 and Political Science 110. Students majoring in history, political science, economics, communications or secondary education (social science) should see their department chairman before taking any of these courses.

10. GENERAL EDUCATION REQUIREMENTS IN RELIGION

Religion. Two semester hours in religion are required for each full-time registration (10 semester hours or more) by an undergraduate student at BYU until a total of 16 semester hours in religion has been earned for a bachelor's degree or a total of 8 semester hours for an associate degree.

Part-time students are required to complete 1 semester hour in religion for each 8 hours carried at BYU.

Required and Accepted Courses. The graduating class of 1970, and all subsequent graduating classes, are required to complete Religion 121 and 122 (or 421 and 422 for returned missionaries and upper-division transfer students).

All religion classes in the 100 through 400 series may be taken to meet the religion requirement. Graduate courses (catalog course numbers 500 and above) and philosophy courses do not satisfy the religion requirements.

Devotional credit may be taken at the rate of one-half credit hour per semester. Four hours of such credit may be used to fulfill the sixteen-hour requirement for students seeking a bachelor's degree, and two hours for students seeking an associate degree.

Transfer Credit May Not Be Used to Meet the General Education Requirement in Religion. A student may not transfer credit to BYU to meet the general education requirement in religion. Religion credit earned elsewhere (such as at LDS colleges and institutes or at non-LDS colleges and universities) may apply as elective credit toward the total hours required for graduation as determined by the Office of Admissions and Records; such transfer credit, however, may not be used to satisfy the residence religion requirement at BYU.

Requirements for Second Baccalaureate Degree Candidates. Students who register at BYU for a baccalaureate degree, after having received one at another university, register as undergraduate student and are required to take two hours of religion per semester.

Fifth-Year Bachelor's Degree-Seeking Students (Engineers). Students seeking a fifth-year bachelor's degree will not be required to take religion in their fifth year. They will, however, be held for the requirement up through the completion of the regular four-year program.

Part-Time Students. Part-time students must present 1 hour of religion credit for each 8 hours of collegiate work completed. The ratio of 1 hour for each 8 hours must be kept current at the end of every two-year period. For any term in which a student registers as a regular student (10 hours or more), including Summer School registration, he must take 2 hours of religion credit.

Summer School. Full-time undergraduate Summer School students (those carrying 10 hours or more) will be held for 2 hours of religion. Students carrying fewer than 10 hours are considered part-time students and must submit 1 hour of religion for every 8 hours accumulated.

Definition of an Undergraduate. For the purpose of applying the above rules, a student is considered an undergraduate until he has received his undergraduate degree or has completed the requirements for graduation.

Students Required to Study Off Campus. If a student is required to study off campus as a part of his degree requirements, he is required to register for religion during that semester at an institute of religion or a BYU continuing education center unless one is not available.

Credit Completed at Centers for Continuing Education. A student must complete 1 hour of credit in religion for every 8 hours of academic credit completed at BYU centers for continuing education.

11. COUNSELING CENTER

All students in the University, regardless of where registered, have the advantages of the Counseling Center. All new students in particular are encouraged to check with the Counseling Center at some time during their first year at BYU to discuss their educational and vocational goals and other concerns which they may have.

Staff members of the Counseling Center are professionally trained in counseling psychology and related disciplines. Such training enables them to offer professional assistance with problems such as the selection of a major or a vocation, study problems, and personal or emotional problems. Students utilizing the service can be assured of reliable professional assistance and confidentiality.

12. LIMITATIONS OF CREDIT IN ONE SEMESTER

Undergraduate students in good standing may register for as many as 17 hours of credit in any one semester by following the regular registration procedure. The dean of a college may authorize a student who has academic ability of high quality to register for a maximum of 18 hours for the first semester in residence and a maximum of 19 hours for any succeeding semester. Any student who has completed 15 or more hours of college work and who has a cumulative grade-point average of 3.5 (or a 3.5 average in the semester previous to registration) may register, with the consent of his dean, for 21 hours. Auditing of classes, registration by correspondence, or registering for Evening Classes or off-campus courses constitute a part of the student's total registration. Any exceptions to the above rules shall be presented to the dean of Admissions and Records by the dean of the college concerned.

13. EVALUATION OF TRANSFER CREDIT

A candidate for a bachelor's degree at Brigham Young University must satisfy all of the general education requirements described previously. Transfer students entering BYU from accredited colleges will have their transfer credit evaluated on the basis of BYU programs and will be notified in writing as to the general education requirements remaining to be completed. The University will accept all transfer credit that is a reasonable equivalent to BYU-approved courses.

14. MAJOR REQUIREMENTS

A student must complete at least 20 semester hours in his major department and must satisfy any additional departmental requirements. A minimum of 10 semester hours must be earned on campus at BYU.

15. CHANGING FROM ONE COLLEGE OR MAJOR TO ANOTHER

The student who desires to transfer from one major to another, or from one college to another, may do so but must clear this change through the deans of the colleges involved. Official change-of-college or major cards may be obtained from the office of the dean of the college in which the student presently is enrolled. After being properly signed, these cards must be turned in one month prior to the next semester's registration to the office of the dean of the student's new college.

16. WITHDRAWAL FROM THE UNIVERSITY

No student is officially discontinued from the University unless he has been interviewed and signed out by the Office of the Dean of Students.

17. WITHDRAWAL REFUNDS

In the event of withdrawal by a student, a refund will be made on the basis of a charge of \$10 (\$5 for a part-time student) even though the student does not complete registration or attend school, plus a per-day charge of two percent of the total tuition and fees paid or payable for the semester. The days charged for will be the school days beginning with the first day of the semester in which classes were held following the date on which the student registered, to the day on which the student reported his withdrawal to the Office of the Dean of Students, both days inclusive.

Late fees are not refundable.

Any refund due a student because of withdrawal from school will be made only by check, through the mail, three weeks from the date on which the student reported his withdrawal and surrendered his receipt or activity card to the Office of the Dean of Students.

No refund will be granted to a student who is requested to withdraw for scholarship or other causes.

No refund will be made directly to an unmarried student under twenty-one years of age unless the student has the written permission of his parents or legal guardian.

No refund will be made after August 31 of the school year in which payment was received by the University.

18. REGISTRATION OF STUDENTS WHO HAVE RECEIVED A BACHELOR'S DEGREE

A student holding a bachelor's degree from a four-year institution after proper admission in the Graduate School may register at Brigham Young University as follows:

- A. Under regular degree-seeking classification.
- B. As a nondegree-seeking student.

19. REGISTRATION IN THE GRADUATE SCHOOL

No student may register in the Graduate School unless he holds a bachelor's degree from a four-year accredited institution. Students who are graduating with a bachelor's degree and wish to continue at BYU for graduate work must apply for readmission to the Graduate Admissions Office, D-251 ASB, before registration materials will be prepared for them.

To be admitted to the graduate school on a degree-seeking basis, (regular or provisional), a student should file with the Graduate Admissions Office an application which includes the following: (1) forms for admission or readmission to the Graduate School; (2) two transcripts of all previous college work (if that work was not done at Brigham Young University); and (3) three letters of recommendation. Two of these letters should relate to the student's academic ability and the third to his character. These letters should be sent directly to the Graduate Admissions Office by those making the recommendations. Forms for application and for letters of recommendation are provided by the Graduate Admissions Office.

The forms are evaluated by the department in which the student intends to major and by the dean of the Graduate School. Permission to register as an unclassified student should not be confused with permission to register as a degree-seeking graduate student. Admission to either classification is initiated by the student and authorized by the dean of the Graduate School. Notice of acceptance as a degree-seeking student is sent to the applicant from the Office of the Graduate Dean.

Students who do not have their applications filed by the following deadline dates cannot be assured that their applications will be acted upon by registration time.

New students. A \$10 nonrefundable application fee must accompany the admissions application, both to be submitted by the following deadline dates:

Registration	Deadline
Fall Semester	June 30
Spring Semester	December 31
Summer School	April 30

Former Students. All former BYU students who have discontinued day school for one semester or more must apply for readmission not later than the deadline dates indicated below:

Registration	Deadline
Fall Semester	July 31
Spring Semester	January 20
Summer School	May 31

20. REGISTRATION FOR COURSES OF STUDY BY FACULTY, ADMINISTRATIVE PERSONNEL, AND STAFF

A. Full-Time Teaching Faculty

Full-time teaching faculty may register for courses of study up to nine hours per semester and will not be required to pay regular tuition and fees, except that a maximum of five hours of credit will be permitted during the daytime hours. Spouses of full-time teaching faculty may register for courses of study with no limit as to the number of hours, day or night, and will not be required to pay regular tuition and fees.

B. Administrative Personnel

Full-time administrative personnel may register for courses of study up to nine hours per semester and will not be required to pay regular tuition and fees, except that a maximum of five hours of credit will be permitted during the daytime hours. Spouses of full-time administrative personnel may register for courses of study with no limit as to the number of credit hours, day or night, and will not be required to pay regular tuition and fees.

C. Full-Time Permanent Staff

Full-time permanent staff members and their wives may register for courses of study up to five hours per semester and will not be required to pay regular tuition and fees, except that for the staff members these credits may not be taken during regular working hours. During the Summer Session the same program will be followed except that there will be a limit of three hours of credit per term. (Husbands of female staff members are required to pay regular tuition and fee costs for courses for which they register.)

D. Part-Time Faculty

Part-time faculty members (not graduate assistants) may register for a number of hours equal to the number of hours they are teaching, but in no case may they receive—tuition free—more than five credit hours. They may take a maximum of nine (9) credit hours during any one semester, but they must pay the difference between the five (5) free hours and the number they are taking.

If a part-time faculty member wishes to take more than nine (9) credit hours in any one semester, he may then relinquish his contract and obtain a graduate assistant contract. There are no tuition-free benefits for graduate assistants.

- E. Faculty members or their wives who register for course work should do so on registration day, according to the alphabetical order of the day. If faculty members register after the second week of the semester, they will be charged a late fee. Their spouses will be charged a late registration fee if they register after registration day. All individuals are required to pay the change-of-registration fee. Registration materials will be ready for those who have made clearance with the Office of Admissions and Records prior to the established deadline dates.
- F. All part-time staff members must pay the regular fees for registration in courses.
- G. Cards indicating eligibility for registration without payment of regular tuition and fees may be obtained by those eligible at registration time in the area where registration is taking place.

21. FINAL EXAMINATIONS

No teacher shall be authorized to complete a final examination for any student for any reason before the officially scheduled time in the final examination week.

A student who misses the final examination must have a good and sufficient reason for so doing and must have the consent of the instructor and the approval of the dean of his college. After meeting these requirements the student shall be given an incomplete which can be removed by later examinations within the official time limits established for incompletes and by the payment of a \$3.00 fee.

FINAL EXAMINATION SCHEDULE FOR FALL SEMESTER 1970-71

22. GENERAL FEES

The University reserves the right to change these figures without notice.

All students who register will be expected to pay tuition and fees prior to or at time of registration.

Approximately seventy percent of the cost of operating the University is paid from the tithes of the LDS Church. Therefore, students who are Church members or their families, already have made a monetary contribution to the operation of the University. To equalize this burden somewhat it is necessary to charge nonmembers a higher tuition. Even this higher total payment, however, does not cover the total educational cost of nonmembers of the Church.

Full-time students (9½ hours or over for undergraduate students; 9 hours or over for graduate students)

	Fall Semester	Spring Semester	School Year
LDS Church Members	\$250	\$250	\$500
Nonmembers	\$375	\$375	\$750

(Only full-time students are eligible to purchase health insurance.)

Part-time students (9 hours or less for undergraduate students; 8½ hours or less for graduate students)

(The tuition and fees paid as a part-time student do not entitle one to health service, student activity privileges, or physical education suit and facility privileges).

	LDS Church	
	Members	Nonmembers
Minimum tuition and fees	\$ 50.00	\$ 85.00
3 credit hours	70.00	115.00
4 credit hours	90.00	145.00
5 credit hours	110.00	175.00
6 credit hours	130.00	205.00
7 credit hours	150.00	235.00
8 credit hours	170.00	265.00
9 credit hours	190.00	295.00

All part-time students enrolled in one or more physical education classes must pay an additional \$5.00.

The charge for noncredit courses or for auditing courses is the same as for credit courses. Noncredit courses taken by part-time students will be assessed on the basis of hours involved in lecture classes. For example, three hours of lecture a week would be considered three semester hours and would be charged for accordingly. Therefore, if a student were taking 8 credit hours plus a noncredit class involving two or more lecture hours per week, he would be considered a full-time student and must register as a full-time student. For courses in which no lecture hours are involved—for example, dissertations and thesis—tuition and fees will be charged based on hours being carried during the semester, as determined by the supervising professor.

A fraction of an hour is counted as a full hour for assessing fees.

In the event a student increases the number of hours of registration at any time subsequent to initial registration and payment of fees, an additional payment for the hours being added must be made on the day when the hours are added, or the late fee will be charged.

23. SPECIAL FEES

LATE REGISTRATION FEE

Late registration fees will be assessed all full-time and part-time students for failure to complete registration on scheduled dates. (NO EXCEPTION IS MADE REGARDLESS OF REASON FOR BEING LATE.)

1. First five regular school days following the scheduled registration date\$ 5.00
2. After the fifth day following the scheduled registration date\$10.00

Late fees for part-time students will be assessed at fifty percent of the rate for full-time students.

Any student whose check is dishonored by his bank will be charged a handling fee of five dollars. If the check was for tuition, there will be an additional charge of the late fee in effect at the time the check is redeemed.

24. JUNIOR ENGLISH PROFICIENCY REQUIREMENT

Each student with more than sixty semester hours of credit who has completed his freshman composition requirements should take the Junior English Proficiency Examination during the first semester in which he is eligible for it. If he fails this examination, he must take a noncredit remedial course during the next semester in which he is a full-time student to correct his deficiency before he may take the proficiency examination again. Passing this examination is a graduation requirement.

Each prospective graduate must complete this examination requirement at least one month prior to graduation or postpone graduation until the next commencement.

The examination is a standard one which measures comprehensively the full range of skills involved in the process of good writing and effectiveness and appropriateness of expression. In one section of the examination the student is asked to identify and error or weakness in a passage and to show literary skill by selecting a revision from the four choices supplied which most satisfactorily solve the problem in relation to the purpose of the writing. In another section the student is asked to demonstrate his own ability to limit, organize, and develop a topic by writing a theme on a topic supplied by the examiner.

The Junior English Proficiency Examination will be given two times during the Fall Semester: Saturday, October 3, 1970, and Saturday, November 21, 1970. Both offerings will be in the Joseph Smith Auditorium. On October 3, students A-J register beginning at 6:30 a.m. and take the examination at 7:00 a.m. Students K-Z register beginning at 9:30 a.m. and take the examination at 10:00 a.m. On November 21, students K-Z will have the early shift and A-J the late. A foreign-student English proficiency examination will be given on the same dates in B-238 ASB at 8:30 a.m. Students wishing to take the foreign-student exam must preregister at the Foreign Students Office, A-245 ASB.

25. ACADEMIC STANDARDS

Students at Brigham Young University are expected to attain the following minimum grade-point average for their particular class in school:

Freshmen (students who have accumulated 32 semester hours of credit or less) are required to maintain a 1.75 (C-) grade-point average in order to be considered in good academic standing.

Sophomores, juniors, and seniors are required to maintain a 2.00 (C) grade-point average on all work beyond the first 32 semester hours of credit.

A student receiving a degree from Brigham Young University must have earned a cumulative grade-point average of 2.00 on all college work as well as on BYU work only. Grade-point averages are computed on this basis: "A" equals 4 grade points; "B" equals 3; "C" equals 2; "D" equals 1; and "E," "WE" and "UW" each equal 0.

Categories of academic status are as follows:

WARNING. A student whose BYU cumulative grade-point average is above the minimum standard required for his class (1.75 for freshmen and 2.00 there-

after) but whose grade-point average for the last semester was below the minimum will receive academic warning.

PROBATION. A student whose cumulative BYU record does not meet the minimum requirement and whose record shows a shortage of grade points will be placed on academic probation. Probationary students are not eligible for BYU scholarships or awards.

SUSPENSION. A probationary student carrying a full load will be suspended from the University if his cumulative record at BYU shows a shortage of grade points from that required (1.75 for the first 32 semester hours and 2.00 for all remaining hours), and he has not made a four grade-point improvement during his current semester.

26. REPEATING CLASSES

Following is the policy regarding the opportunity to repeat classes. Students may

- A. Repeat at Brigham Young University courses taken at Brigham Young University.
- B. Repeat at Brigham Young University courses taken at other institutions.
- C. Repeat at other institutions courses taken at the same institution—and then have the credit transferred to Brigham Young University.

When a class has been repeated, the grade used in the calculation of the student's grade-point average is the grade earned the last time the repeated class was taken. The student should notify the Office of Admissions and Records that the class has been repeated during the first semester following the semester in which the class is repeated.

27. GRADE-POINT VALUES

A	4.0	B	3.0	C	2.0	D	1.0
A—	3.7	B—	2.7	C—	1.7	D—	.7
B+	3.4	C+	2.4	D+	1.4	E	.0

28. TRAFFIC

- A. In lieu of purchasing Utah license plates, nonresident students operating motor vehicles in Utah must secure a nonresident student permit.
- B. Nonresident permits may be issued only to students enrolled in the University and registered for sufficient credit hours so as to qualify them as full-time students under the regulations and standards of said institution.
- C. Beginning March 1 of each year, the nonresident student must display the new year nonresident permit and Utah Highway Patrol safety inspection sticker. New safety inspection stickers will be available February 15 of each year.
Students qualifying as nonresidents must secure this sticker and show the certificate of inspection to the institution whereupon the institution may issue the nonresident permit for the year—good until midnight of the last day of February of the succeeding year.
- D. Nonresident students found to be disregarding these instructions will be required to purchase Utah license plates.
- E. Every student who owns or operates a motor vehicle within Provo City at any time during the academic year must register with the University Security Office. Failure to register is a violation of the University traffic regulations.
- F. Students will be granted permits to park on campus, relative to their class designation, i.e. Soph., Jr., etc., upon application to the University Security Office.
- G. Every student who is a resident of Utah and every nonresident student not a resident of a state which is a member of the Driver's License Compact must have a Utah driver's license. A resident of a state which is a member of the compact may drive in Utah on his or her valid license from his state of residence. For information concerning the Compact States, contact the Security Office, B-66 ASB.

29. STUDENT CLASSIFICATION

At the beginning of each semester, students are classified for that semester as follows:

Credit hours earned	Classification
0 to 32	Freshman
33 to 64	Sophomore
65 to 96	Junior
97 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

30. Home Study

Home Study is a department of the Division of Continuing Education offering University credit for correspondence work. There are 290 courses available, representing 45 departments. Students may register for courses anytime during the year. Courses may be completed at the time and convenience of the student for a cost of \$16.50 per semester hour. Those interested in further information should contact the Home Study Office, Room 210 HRCB, or telephone 374-1211, Ext. 2868. Office hours are 8 a.m. to 5 p.m., Monday through Friday.

31. Policy on Class Attendance

It is the policy of Brigham Young University that students attend classes for which they are registered. Each class instructor may determine the relation-

ship of class attendance to the final grade for the course. All officially excused absences must approved through the Office of the Dean of Students. Official excuses are only those where the student is away representing the University on official business.

Faculty members are reminded that students should be informed as to the relationship of attendance to their final grade for the course. The student must assume responsibility for his own actions, and it is not necessary for the instructor to report absences to the Office of the Dean of Students unless he has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is the responsibility of the student.

32. HONORS PROGRAM

(See 1970-72 Catalog of Courses, Pages 43-45)

33. SCHOLARSHIP RECOGNITION

(See 1970-72 Catalog of Courses, Page 24)

34. REQUIREMENTS FOR GRADUATION

See 1970-72 Catalog of Courses, Pages 22-23)

35. COURSE DIVISIONS. Courses of study are given numbers as follows:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Courses for graduates or advanced undergraduates	500-599
Graduate courses	600 and above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

NEW ACADEMIC INFORMATION

I. Admission of Evening Classes Students to Day School

Students who are attending evening classes only and wish to transfer to day school and take daytime classes must submit application for admission to BYU prior to the established deadline dates for the semester the student wishes to attend. Application for admission may be obtained from the Office of Admissions and Records, A-153 ASB.

II. Incomplete Grades

The letter "I" (incomplete) is used to indicate that the work is not yet completed. It is given only when special arrangements for the completion of the specific work involved have been made between the teacher and the student. The "I" never is given when a student has failed or is failing the course. An "I" grade is regarded as an "E" in the Office of Admissions and Records until the work is completed and a grade-change authorization form is properly signed and submitted to the Records Office, B-163 ASB, which must be within one year from the date the grade is given.

III Two-Year General Curriculum Program

The two-year Associate of Arts program in General College is designed to satisfy the needs of those students who will benefit from working toward a definite degree but presently are unable to complete four years.

The two-year program requires courses in English, health, religion, physical education; history, social sciences, physical sciences, and biological sciences, and certain courses in occupational skills. All credit earned in General Curriculum classes can be used to fill general education requirements or can be applied as elective credit in obtaining a four year degree.

An Associate of Arts degree will be awarded to students who complete 64 hours; 32 of these hours must fill general education requirements of the Associate of Arts degree; 21 hours must be in an academic or technical area of concentration; and 11 hours may be in the elective areas.

IV. Magna Cum Laude

"Magna Cum Laude" is awarded those students who have earned at least forty-five hours' credit at Brigham Young University and obtained an overall grade-point average of 3.80 or higher.

"Cum Laude" is awarded those students who have earned at least forty-five hours of credit at Brigham Young University and obtained an overall grade-point average of 3.50 to 3.79.

V. Residence Credit

In order to receive a baccalaureate degree a student must earn a minimum of thirty semester hours on the Brigham Young University campus at Provo.

Exception:

If a student completes ten semester hours at Brigham Young University extension residence centers or at LDS institutes of religion, twenty semester hours of work completed on the University's Provo campus as a matriculated student will satisfy the residence requirement. The twenty credit hours earned on the Provo campus must be taken in two or more semesters.

VI. Graduation Application Fee and Deadlines

Students applying for graduation should pick up their applications from their major departments. The completed application initialed by the major department along with the \$12 application fee should be submitted to the cashier by December 15 for students applying for May commencement and no later than February 15 for

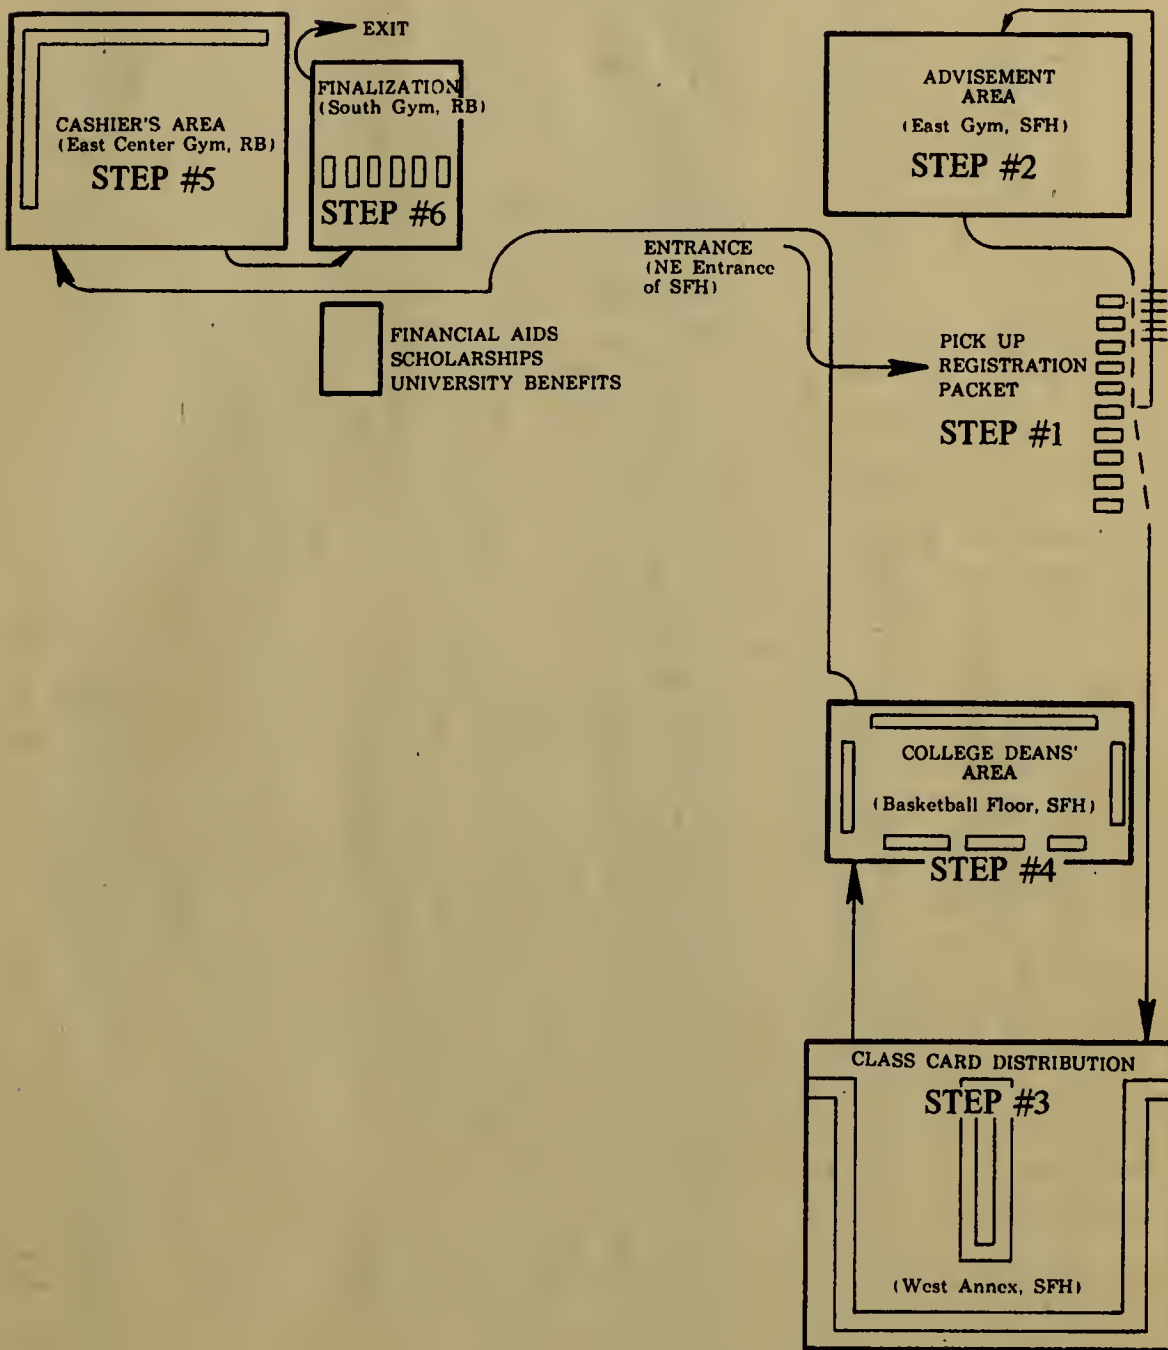

those applying for August commencement. Students applying after those deadline dates will be required to pay a \$3.00 late fee.

All students are encouraged to apply for graduation early in their Junior year (65-96 semester credit hours).

VII. General Education Recognition for Transfer Credit.

Transfer credit which filled general education requirements at the institution from which it was transferred will fill the same general education requirements at BYU.

FORUM AND DEVOTIONAL

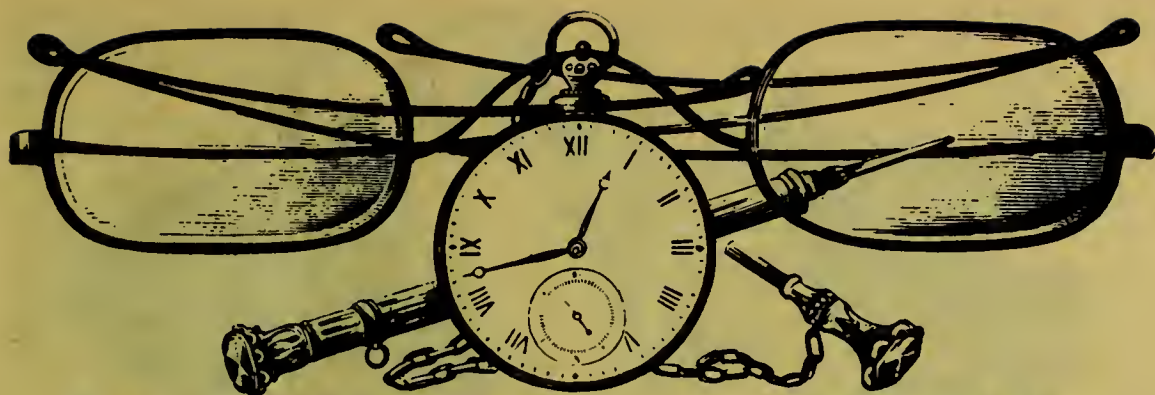

The Forum and Devotional assemblies provide students an opportunity for a unique educational experience. General Authorities of The Church of Jesus Christ of Latter-day Saints are featured in the Devotional assemblies held each Tuesday. On Thursday, Forum assemblies feature renowned scholars, artists, personalities, and students. Both Forum and Devotional are held from 10 to 11 a.m. in the fieldhouse. To get credit for Forum and Devotional, a student must attend the assemblies in one of six places. He can attend the assemblies in person at the Smith Fieldhouse, watch them telecast at the deJong Concert Hall and Joseph Smith Auditorium, or listen to a broadcast of the assemblies in the Varsity Theatre, Pardoe Drama Theatre, or Little Theatre (C321 ELWC.)

Students may register for either or both series. Each series carries $\frac{1}{2}$ credit hour per semester. To obtain credit for either Forum or Devotional a student must register for and attend eleven assemblies per semester. He must also fill out and sign a certification of attendance form that will be available to him on the last week that a Forum or Devotional assembly is held each semester.

At BYU, a student may apply a maximum of four semester hours of Devotional credit toward the general education requirements in religion. This credit, however, cannot be substituted for the courses required in the first two years of religious instruction. (For full instruction on basic requirements in religion, see pages 17-18 in this schedule) Credit for Forum assemblies may be counted toward total credit for graduation.

ACADEMIC REGULATIONS

Every student is responsible for knowing the academic regulations of BYU. A student may not deviate from these regulations unless his action is approved by the agency concerned, usually the Academic Regulations and Procedures Committee. This committee meets twice each month in the office of the Registrar.

HOW TO REGISTER

Fifteen minutes before their scheduled registration times students should report to the northeast entrance of the fieldhouse. Here they will receive written instructions outlining the registration procedure.

WHERE TO PAY FEES

All fees listed in this class schedule are to be paid at the Cashier's area 144 Richards Building during registration unless otherwise noted. After registration, fees should be paid in D-155 ASB.

LATE REGISTRATION PENALTY

Students who fail to register on the regular registration dates must pay a late registration fee. If a student registers during the first five regular school days after scheduled registration, the fee is \$5.00. After the first five days the fee is \$10.00. The penalty rate for part-time students is one-half that charged to full-time students. A fraction of an hour is counted as a full hour for assessing fees.

ADMISSION TO CLASS

Students whose names are on the class roll are officially registered. If a student's name is not on the roll he should contact the Registration Office, B-150, immediately. Instructors receive rolls of students in their classes three days after the completion of regular registration. Another roll is sent out during the third week which includes the names of all students registered for that class.

BLOCK-PLAN CLASSES

Any student desiring to register for a block-plan class must do so during his original registration at the start of the semester. This holds true whether or not the class is taught during the first or the second half of the semester. No block-plan class may be added after Wednesday, February 17, 1971. Second-block classes start Monday, March 29, 1971.

Students who will be released from missions or the armed forces between February 17, and March 26, 1971, and who have been accepted to BYU are eligible to register for the second half block-plan. These students will register at midsemester registration March 26, 1971.

Students who register for either first or second block-plan classes during the regular or late registration and desire to make a change must do so by February 17, 1971.

DROPPING AND ADDING CLASSES

The key to reducing changes in registration is filling out the initial registration carefully.

If a student must make a change in registration, the change must be approved by the student's adviser and the instructors involved. No changes in the initial registration may be made until Monday, February 8.

Students are permitted to drop or add classes from February 8 through February 17, if their adviser and instructor(s) agree that the change is advisable. In exceptional cases, students may withdraw from classes until April 2. Withdrawals after April 2 are granted only for nonacademic emergencies. Such an emergency withdrawal requires the signatures of the student's adviser, teacher, and dean of his college.

After April 2, if a student withdraws from a class in which he is doing passing work, his permanent record will carry a "W." If a student is failing, his permanent record will carry a "WE." This is considered the same as an "E" in calculating a grade-point average. Withdrawals will not be permitted after May 7, 1971.

If a student needs to change his registration he must do four things:

1. **CONSULT HIS FACULTY ADVISER.** If the adviser recommends the change, he will provide a change-of-registration card with his signature. These cards can also be obtained at the Registration Office B-150 ASB.
2. **GET THE CONSENT AND SIGNATURES OF THE INSTRUCTORS INVOLVED.**
3. **PAY A \$5.00 FEE TO THE UNIVERSITY CASHIER.** This is necessary if the change is made February 18 or anytime thereafter.
4. **TAKE THE CHANGE-OF-REGISTRATION CARD TO REGISTRATION PERSONNEL.** This can be done in the ELWC during the first two weeks of the semester, or in B-150 ASB after the first two weeks.

Any student dropping a class in religion after the initial registration must also add another class in religion, unless he has a signed statement from the dean of the College of Religious Instruction officially excusing him for that semester.

Late registration ends Wednesday, February 17. No student may register after that date.

Students who register for either first or second block-plan classes during the regular or late registration and desire to make a change must do so by February 17, 1971.

If a student wishes to completely withdraw from school, he must clear through the Dean of Students Office.

EVENING CLASSES

Those registering for Evening Classes only should contact the Department of Evening Classes office for registration dates. Evening students need only register, pay fees, and finalize at the Department of Evening Classes office in the Herald R. Clark Building.

Daytime students taking Evening Classes (section 90 classes) must pay an extra fee of \$3.00 per credit hour, in addition to regular tuition. This fee must be paid on the day the student registers for the Evening Class. Students who fail to do this will be charged a late fee of \$2.50. Day students must register for these classes at the time they register for their day classes.

LIMITATIONS OF CREDIT IN ONE SEMESTER

Undergraduate students in good standing may register for as many as 17 hours of credit in any one semester by following the regular registration procedure. The dean of a college may authorize a student who has academic ability of high quality to register for a maximum of 18 hours for the first semester in residence and a maximum of 19 hours for any succeeding semester. Any student who has completed 15 or more hours of college work and who has a cumulative grade-point average of 3.5 (or 3.5 average in the semester previous to registration) may register, with the consent of his dean, for 21 hours. Auditing of classes, registration by correspondence, or registering for Evening Classes or off-campus courses constitute a part of the student's total registration. Exceptions to these rules should be presented to the dean of Admissions and Records by the dean of the college concerned.

MAJOR REQUIREMENTS

A student must complete at least 20 semester hours in his major department and must satisfy any additional departmental requirements. A minimum of 10 semester hours must be earned on campus at BYU.

CHANGING COLLEGE OR MAJOR

A student who desires to transfer from one major to another, or from one college to another, may do so. However, he must clear this change through the deans of the colleges involved. Official change-of-college or major cards may be obtained from the office of the dean of the college in which the student is presently enrolled. After being properly signed, these cards must be turned in to the office of the dean of the student's new college one month prior to the next semester's registration.

WITHDRAWAL FROM BYU

No student is officially discontinued from the University unless he has been interviewed and signed out by the Office of the Dean of Students.

REPEATING CLASSES

Students can repeat classes at BYU. This can be done in three ways:

1. Repeat at BYU classes taken at BYU.
2. Repeat at BYU classes taken at other institutions.
3. Repeat at other institutions classes taken at the same institution—and then have the credit transferred to BYU.

When a student repeats a class, the grade used to figure the student's grade-point average is the grade earned the last time the repeated class was taken. The student should notify the Records Office B-163 ASB, that the class has been repeated during the next semester after the class is repeated.

CLASS ATTENDANCE POLICY

BYU feels it is important that students attend classes for which they are registered. Each class instructor may determine the relationship of class attendance to the final grade for the course. All officially excused absences must be approved through the Office of the Dean of Students. Official excuses are only those where the student is away representing the University on official business.

Faculty should tell students what relationship attendance has to their final grade for the course. The student must take the responsibility for his actions. It is not necessary for the instructor to report absences to the Office of the Dean of Students unless he has knowledge of an accident or illness which is causing the absence. Notification to teachers of emergency absences (death in the family, serious illness, etc.) is the responsibility of the student.

GRADUATE SCHOOL

To register in Graduate School, a student must have a bachelor's degree from a four-year accredited institution. BYU students who are graduating with a bachelor's degree and wish to continue at BYU for graduate work must apply for readmission to the Graduate Admissions Office, D-251, ASB. Unless this is done, registration material will not be prepared for them.

A graduate student at BYU has two options for registration. He can register under regular degree seeking classification or as a nondegree-seeking student.

To be admitted to the Graduate School on a degree-seeking basis, a student must file an application with the Graduate Admissions Office. The application must include (1) forms for admission or readmission to the Graduate School; (2) two transcripts of all previous college work; and (3) three letters of recommendation. (Those writing the recommendations should send them directly to the Graduate Admissions Office). Forms for application and for letters of recommendation are provided by the Graduate Admissions Office.

If a student is accepted as a degree-seeking student, he is sent notice of acceptance from the Office of the Graduate Dean.

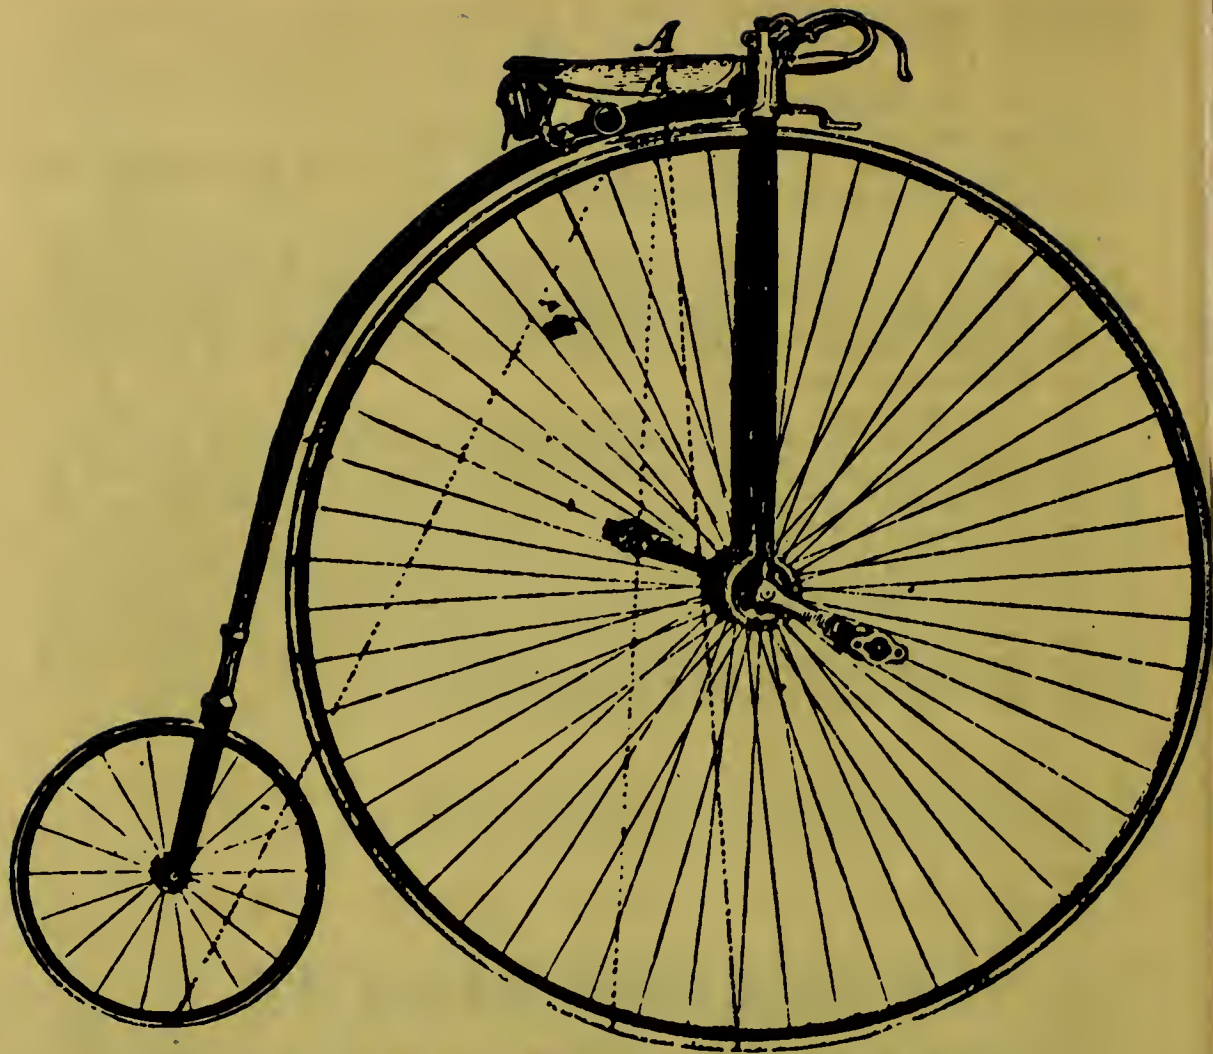

DEADLINES. Applications for admission must be filed by the deadlines listed below for students to register at BYU for the corresponding semesters.

New Student. A \$10 nonrefundable application fee must accompany the admissions application, both to be submitted by the following deadline dates:

REGISTRATION	DEADLINE
Fall Semester	June 30
Spring Semester	December 18
Summer School	April 30

Former Students. All former BYU students who have discontinued day school for one semester or more must apply for readmission no later than:

REGISTRATION	DEADLINE
Fall Semester	July 30
Spring Semester	January 18
Summer School	May 31

TUITION AND FEES

The largest private school in the nation, BYU is owned and operated by The Church of Jesus Christ of Latter-day Saints. Approximately 70 percent of the cost of operating the university is paid from the tithes of church members. Because of this, students who are Church members or their families already have made a monetary contribution to the operation of the university. To equalize this cost, nonmembers are charged higher tuition. This higher tuition still does not cover the total educational costs.

All students who register will be expected to pay tuition and fees prior to or at the time of registration. Students are responsible to pay the correct amount of tuition and fees. The university reserves the right to change these figures without notice.

In computing tuition, an undergraduate student is considered full-time if he carries 9½ hours or more. A graduate student is considered full-time if he carries 9 hours or more. The tuition costs for a full-time student are:

	Fall Semester	Spring Semester	School Year
LDS Church Members	\$250	\$250	\$500
Nonmembers	\$375	\$375	\$750

Part-time students are not eligible to purchase health insurance. They are also not entitled to health service, student activity privileges, or physical education suit facility privileges. All part-time students enrolled in one or more of certain physical education classes must pay an addition \$5.00. Students should check with the Cashiers Office for applicable classes.

The tuition charged part-time students varies according to the number of hours for which they register:

	LDS Church Members	Nonmembers
Minimum tuition and fees	\$ 50.00	\$ 85.00
3 credit hours	70.00	115.00
4 credit hours	90.00	145.00
5 credit hours	110.00	175.00
6 credit hours	130.00	205.00
7 credit hours	150.00	235.00
8 credit hours	170.00	265.00
9 credit hours	190.00	295.00

The tuition for noncredit courses or for auditing courses is the same as for credit courses. A fraction of an hour is counted as a full hour for assessing fees.

Noncredit courses taken by part-time students are assessed on the basis of the number of hours involved in lecture classes. For example, three hours of lecture a week would be considered three semester hours and would be charged for accordingly. For courses in which no lecture hours are involved—for example, dissertations

and thesis—tuition and fees will be charged based on hours being carried during the semester, as determined by the supervising professor.

If a student takes a noncredit class it can change his status from part-time to full-time. A student taking 8 credit hours plus a noncredit class involving two or more lecture hours per week would be considered a full-time student.

After initial registration, a student who increases his number of credit hours must pay for these additional hours on the day they are added. If he does not a late fee will be charged.

WITHDRAWAL REFUNDS

If a student withdraws from school, a refund will be made on the basis of a charge of \$10 (\$5 for a part-time student). This withdrawal fee is assessed even though the student does not complete registration or attend school. In addition, there is a per-day charge of two percent of the total tuition and fees paid or payable for the semester. Students will be charged from the first day of the semester in which classes were held following the date they registered, to the day on which they report their withdrawal to the Office of the Dean of Students.

Late fees are not refundable.

Any refund due a student because of withdrawal from school will be made only by check, through the mail. It will come three weeks from the date on which the student reported his withdrawal and surrendered his receipt or activity card to the Dean of Students Office.

No refund will be granted to a student who is requested to withdraw for scholarship or other causes.

No refund will be made directly to an unmarried student under twenty-one years of age unless the student has the written permission of his parents or legal guardian.

No refund will be made after August 31 of the school year in which payment was received by the university.

- d. Certain basic courses especially suited to develop the capacity of the student to apply mathematics to scientific problems (must have a math prerequisite of Math 105 or above).

BYU courses accepted in this area are:

Biology 201
Botany 376
Chemistry 105, 111
Geology 311
Microbiology 331
Physics 105
Zoology 376
Psychology 374
Economics 488

- e. Certain courses are peculiarly suited to illustrate the application of formal logic in the development of a discipline or tool.

BYU courses in this category are:

Botany 678
Computer Science 230
Physics 110, 300
Zoology 321

TRANSFER CREDIT

When a student takes a course at another accredited institution which counts in a given general education area, BYU will probably allow that given course to count in the same area in meeting the BYU general education requirement.

Admission of Evening Classes Students to Day School

Students who are attending evening classes only and wish to transfer to day school and take daytime classes must submit application for admission to BYU prior to the established deadline dates for the semester the student wishes to attend. Application for admission may be obtained from the Office of Admissions and Records, A-153 ASB.

Incomplete Grades

The letter "I" (incomplete) is used to indicate that the work is not yet completed. It is given only when special arrangements for the completion of the specific work involved have been made between the teacher and the student. The "I" never is given when a student has failed or is failing the course. An "I" grade is regarded as an "E" in the Office of Admissions and Records until the work is completed and a grade-change authorization form is properly signed and submitted to the Records Office, B-163 ASB, which must be within one year from the date the grade is given.

Two-Year General Curriculum Program

The two-year Associate of Arts program in General College is designed to satisfy the needs of those students who will benefit from working toward a definite degree but presently are unable to complete four years.

The two-year program requires courses in English, health, religion, physical education, history, social sciences, physical sciences, and biological sciences, and certain courses in occupational skills. All credit earned in General Curriculum classes can be used to fill general education requirements or can be applied as elective credit in obtaining a four year degree.

An Associate of Arts degree will be awarded to students who complete 64 hours; 32 of these hours must fill general education requirements of the Associate of Arts degree; 21 hours must be in an academic or technical area of concentration; and 11 hours may be in the elective areas.

Magna Cum Laude

"Magna Cum Laude" is awarded those students who have earned at least forty-five hours' credit at Brigham Young University and obtained an overall grade-point average of 3.80 or higher.

"Cum Laude" is awarded those students who have earned at least forty-five hours of credit at Brigham Young University and obtained an overall grade-point average of 3.50 to 3.79.

Residence Credit

In order to receive a baccalaureate degree a student must earn a minimum of thirty semester hours on the Brigham Young University campus at Provo.

Exception:

If a student completes ten semester hours at Brigham Young University extension residence centers or at LDS institutes of religion, twenty semester hours of work completed on the University's Provo campus as a matriculated

student will satisfy the residence requirement. The twenty credit hours earned on the Provo campus must be taken in two or more semesters.

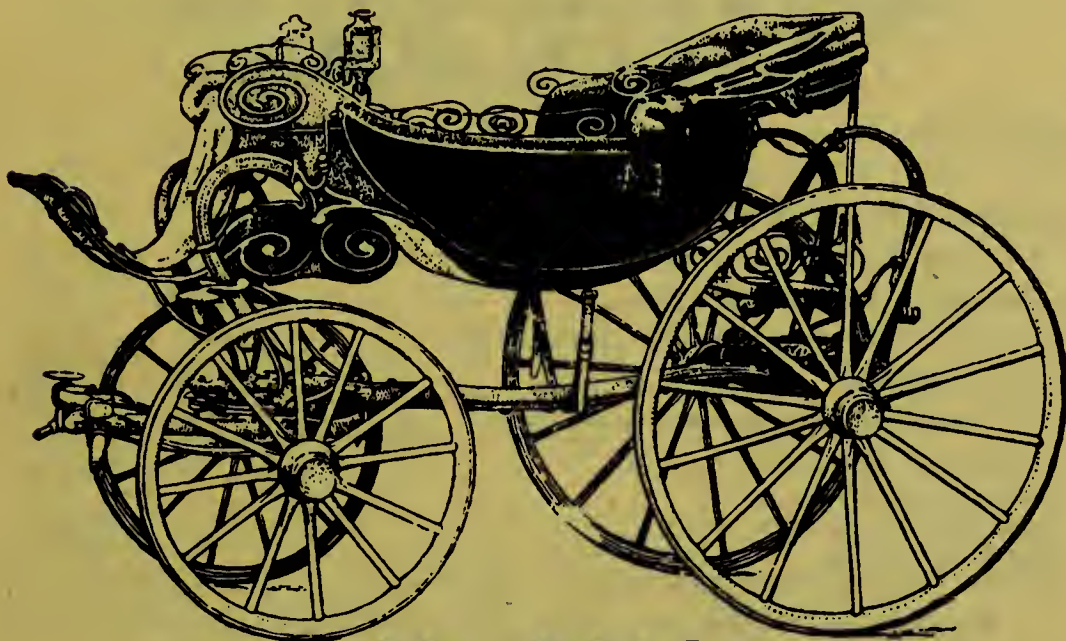

Graduation Application Fee and Deadlines

Students applying for graduation should pick up their applications from their major departments. The completed application initialed by the major department along with the \$12 application fee should be submitted to the cashier by December 15 for students applying for May commencement and no later than February 15 for those applying for August commencement. Students applying after those deadline dates will be required to pay a \$3.00 late fee.

All students are encouraged to apply for graduation early in their Junior year (65-96 semester credit hours).

General Education Recognition for Transfer Credit

Transfer credit which filled general education requirements at the institution from which is was transferred will fill the same general education requirements at BYU.

TRAFFIC

NONRESIDENT STUDENTS

Nonresident students operating motor vehicles in Utah must either buy Utah license plates or obtain a nonresident student permit. Nonresident permits may be issued only to full-time students.

Nonresident students must also obtain a Utah Highway Patrol safety inspection sticker. This sticker must be shown to university officials in order to be issued a nonresident permit.

Both the nonresident student permit and the safety inspection sticker must be displayed on the student's vehicle. Nonresident students who disregard these instructions will be required to purchase Utah license plates.

BYU VEHICLE REGISTRATION

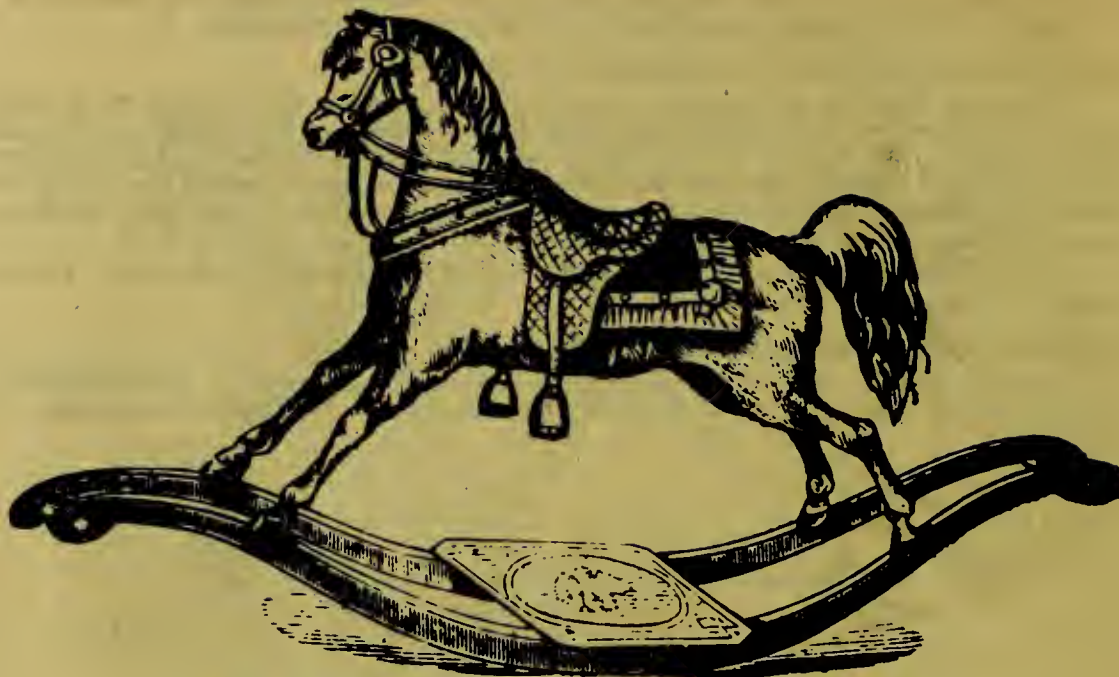

Every student who owns or operates a motor vehicle within Provo City at any time during the academic year must register with the University Security Office. Failure to register is a violation of the University traffic regulations.

CAMPUS PARKING PERMITS

Students will be granted campus parking permits according to their class designation (Freshman, Sophomore, Junior, Senior, or Graduate). Application should be made at the University Security Office.

UTAH DRIVER'S LICENSE

All students who are Utah residents or residents of states which are not members of the Driver's License Compact must have a Utah driver's license. Residents of license compact states may drive in Utah with a valid license from their home states. For information concerning the Compact States, contact the Security Office, B-66 ASB.

SCHOLARSHIP RECOGNITION

(See 1970-72 Catalog of Courses, Pages 24)

REQUIREMENTS FOR GRADUATION

(See 1970-72 Catalog of Courses, Pages 22-23)

COURSE DIVISIONS

Classes are given numbers as follows:

Preparatory and remedial courses	1-99
Lower-division courses	100-299
Upper-division courses	300-499
Graduate Courses	500-599
Courses for graduates or advanced undergraduates	600 or above

Freshmen and sophomores should not take courses with numbers above 299 unless approval has been obtained from the dean of their college.

HOME STUDY

University credit for correspondence work is offered by Home Study, a department of the Division of Continuing Education. There are 290 courses available, representing 45 departments. Students may register for courses any-time during the year. Those interested in further information should contact the Home Study Office, Room 210 HRCB, or telephone 374-1211, Ext. 2868. Office hours are 8 a.m. to 5 p.m., Monday through Friday.

COUNSELING CENTER

All BYU students may use the services of the Counseling Center without charge. All new students in particular are encouraged to check with the Counseling Center at some time during their first year at BYU. At the Counseling Center educational and vocational goals and other concerns the students may have can be discussed.

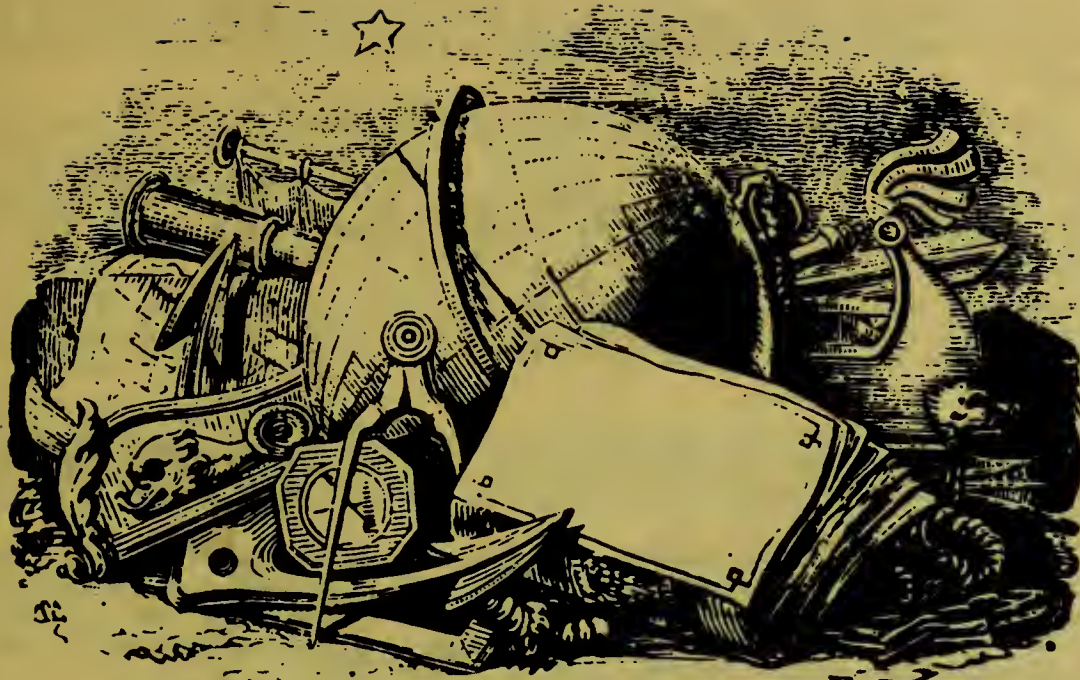

Staff members of the Counseling Center are professionally trained in counseling psychology and related disciplines. Such training enables them to offer professional assistance with study problems, choosing a major, and personal or emotional problems. Students who take advantage of the counseling service can be assured of reliable professional assistance and confidentiality.

STUDENT CLASSIFICATION

At the beginning of each semester, students are classified for that semester as follows:

Credit hours earned	Classification
0 to 32	Freshman
33 to 64	Sophomore
65 to 96	Junior
97 and over	Senior

Engineering students having more than 128 semester hours are classified as fifth-year professional students.

GENERAL EDUCATION REQUIREMENTS

To earn a bachelor's degree from BYU a student must satisfy the general education requirements:

Area Requirements	Semester Hours Required
American History and government	3
Biological science	6
English composition and literature	6
Health	2
Humanities and fine arts	6
Physical education	2
Physical Science	6
*Religion (2 hours per semester in residence)	16
Social Science	5

A student must also complete one of the two options below:

- A. Mathematics, statistics, logic, science 6
- B. Foreign Language 8 advanced credit hours
(Check the section titled New Academic Information pages 13-14 in the Class Schedule for more information. Changes have been made since the publication of the 1970-72 Catalog.)

*See the section titled "Interpretation of University Policy" on religion requirements in 1970-72 Catalog of Courses.

AMERICAN HISTORY AND GOVERNMENT REQUIREMENT

The American history and government requirement (History 170) applies to all candidates for the bachelor's degree. It may be satisfied by examination or by course work. The examination, which is optional, will be announced in the Daily Universe early in each semester.

Certain combinations of courses will also fill this requirement: History 120 and 121, or History 121 and Political Science 110. Students majoring in history, political science, economics, communications or secondary education (social science) should see their department chairman before taking any of these courses.

RELIGION REQUIREMENTS

Two semester hours in religion are required for each full-time registration (10 semester hours or more) by an undergraduate student at BYU. This requirement is in effect until a total of 16 semester hours in religion has been earned for a bachelor's degree or a total of 8 semester hours for an associate degree. Undergraduate transfer students will be required to have 2 semester hours for each semester enrolled at BYU.

Part-time students are required to complete 1 semester hour in religion for each 8 hours carried at BYU.

REQUIRED AND ACCEPTED COURSES. Students in the graduating class of 1970, and all subsequent graduating classes, are required to complete Religion 121 and 122. Returned missionaries and upper-division transfer students may take special sections of Religion 121 and 122. Also designed for returned missionaries and transfer students is Religion 420, a one-credit hour upper-division course in Book of Mormon studies.

All religion classes in the 100 through 400 series may be taken to meet the religion requirement. Graduate courses (numbered 500 and above) and philosophy courses do not satisfy the religion requirements.

Devotional credit may be taken at the rate of one-half hour credit per semester. Four hours of such credit may be used to fulfill the sixteen-hour requirement for students seeking a bachelor's degree, and two hours for students seeking an associate degree.

TRANSFER CREDIT. A student may not transfer credit to BYU to meet the general education requirement in religion; he still must take two credit hours of religion for every semester at BYU. Religion credit earned elsewhere (such as at LDS colleges and institutes or at non-LDS colleges and universities) may apply as elective credit toward the total hours required for graduation, however. This is determined by the Office of Admissions and Records.

SECOND BACCALAUREATE DEGREES. Students who register at BYU for a baccalaureate degree, after having received one at another university, register as undergraduate students. Because of this they are required to take two hours of religion per semester.

FIFTH-YEAR DEGREES (Engineers). Students seeking a fifth-year bachelor's degree will not be required to take religion in their fifth year. They will, however, be held for the requirement up through the completion of the regular four-year program.

PART-TIME STUDENTS. Part-time students must take one hour of religion credit for each 8 hours of class work completed. The ratio of one hour for each 8 hours must be kept current at the end of every two-year period. For any term in which a student registers as a regular student (10 hours or more), including Summer School registration, he must take two hours of religion credit.

SUMMER SCHOOL. Full-time undergraduate Summer School students (those carrying 10 hours or more) will be held for two hours of religion. Students carrying fewer than 10 hours are considered part-time students and are required to have taken one hour of religion for every 8 hours accumulated.

UNDERGRADUATE DEFINITION. For the purpose of applying religion requirements, a student is considered an undergraduate until he has received his undergraduate degree or has completed the requirements for graduation.

OFF CAMPUS STUDENTS. If a student is required to study off campus as part of his degree requirements, he is required to register for religion during that semester at an institute of religion or a BYU continuing education center. An exception is made if one of these is not available.

CONTINUING EDUCATION CENTER CREDIT. A student must complete one hour of credit in religion for every 8 hours of academic credit completed at BYU centers for continuing education.

JUNIOR ENGLISH PROFICIENCY REQUIREMENT

Passing the Junior English Proficiency Examination is a graduation requirement that must be met at least one month prior to graduation.

To be eligible for the examination, a student must have completed his freshman English requirements and have at least 64 semester hours of credit. The examination should be taken by the student at the first opportunity after he becomes eligible. It is free of charge if taken at the scheduled times, but costs \$5.00 if taken either by appointment or correspondence.

During Spring Semester 1970, the examination will be given in the Joseph Smith Auditorium on February 13 and April 10. The test times are:

February 13	Registration	Examination
Students A-J	6:30 a.m.	7:00 a.m.
Students K-Z	9:30 a.m.	10:00 a.m.
 April 10	 Registration	 Examination
Students K-Z	6:30 a.m.	7:00 a.m.
Students A-J	9:30 a.m.	10:00 a.m.

If a student fails this examination, he must take English 15, a noncredit remedial course, and repeat the test.

Foreign students (students for whom English is a second language and who plan to leave the United States upon graduating) may take a different examination offered at 8:30 a.m. on the above dates at B-238 ASB.

The Junior English Proficiency Examination is a standard test which measures comprehensively the full range of skills involved in good writing and effective, appropriate expression. In the first section of the test the student is asked to pick out an error or weakness in a passage. From a list of four choices, he then chooses the revision which best solves the writing problem in the passage.

In another section of the test the student is asked to write a theme on a topic supplied by the examiner. The theme tests the student's ability to limit, organize, and develop a topic.

EVALUATION OF TRANSFER CREDIT

A candidate for a bachelor's degree must satisfy the general education requirements. Transfer students entering BYU from accredited colleges will have their transfer credit evaluated on the basis of BYU programs and will be notified in writing as to the general education requirements they still need to complete. The university will accept all transfer credit that is a reasonable equivalent to BYU-approved courses.

REGISTRATION FOR FACULTY AND STAFF

FULL-TIME TEACHING FACULTY

Full-time teaching faculty may register for courses of study up to nine hours per semester and will not be required to pay regular tuition and fees. A maximum of five credit hours will be permitted during the daytime hours.

Spouses of full-time teaching faculty may register for courses of study with no limit as to the number of hours, day or night, and will not be required to pay regular tuition and fees.

ADMINISTRATIVE PERSONNEL

Full-time administrative personnel may register for courses of study up to nine hours per semester and will not be required to pay regular tuition and fees. A maximum of five credit hours will be permitted during the daytime hours.

Spouses of full-time administrative personnel may register for courses of study with no limit as to the number of credit hours, day or night, and will not be required to pay regular tuition and fees.

FULL-TIME PERMANENT STAFF

Full-time permanent staff members and their wives may register for courses of study up to five hours per semester and will not be required to pay regular tuition and fees. Staff members may not take these credits during regular working hours.

If staff members register after the second week of the semester they will be charged a late fee. Their spouses will be charged a late registration fee if they register after registration day. All individuals are required to pay the change-of-registration fee.

During the summer session the same program will be followed except that there will be a limit of three hours of credit per term. (Husbands of female staff members are required to pay regular tuition and fee costs for courses for which they register.

PART-TIME FACULTY

Part-time faculty members (not graduate assistants) may register for a number of hours equal to the number of hours they are teaching. However, in no case may they receive tuition free for more than five credit hours.

Part-time faculty may take a maximum of nine (9) credit hours during any one semester, but they must pay the difference between the five (5) free hours and the number they are taking. If a part-time faculty member wishes to take more than nine (9) credit hours in any one semester, he may then relinquish his contract and obtain a graduate assistant contract. There are no tuition-free benefits for graduate assistants.

PART-TIME STAFF

All part-time staff members must pay the regular fees for registration in courses.

FACULTY REGISTRATION

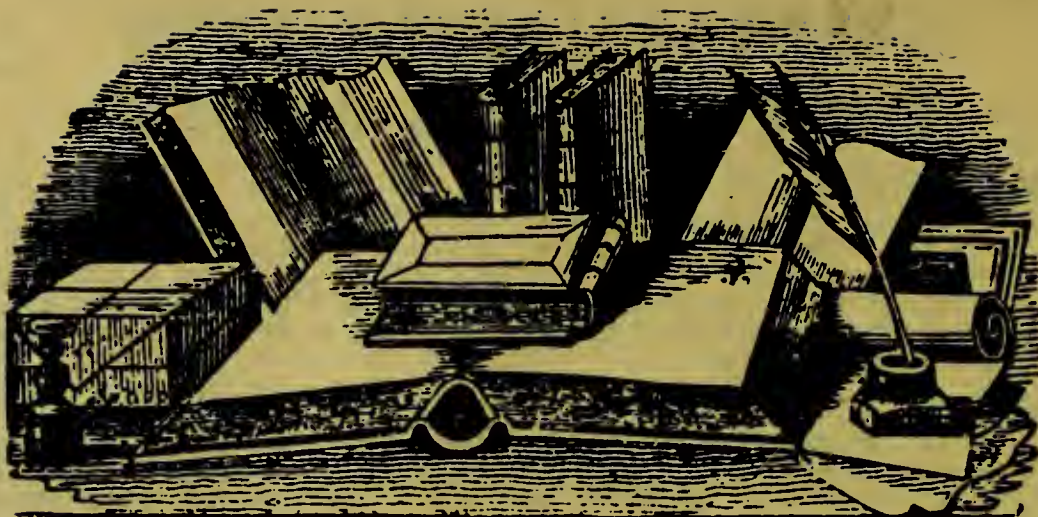

Faculty members or their wives who register for course work should do so on registration day, according to the alphabetical order of the day. If faculty members register after the second week of the semester, they will be charged a late fee. Their spouses will be charged a late fee if they register after registration day. All individuals are required to pay the change-of-registration fee. Registration materials will be ready for those who have made clearance with the Office of Admissions and Records prior to the deadline dates.

TUITION FREE CARDS

Cards indicating eligibility for registration without payment of regular tuition and fees may be obtained by those eligible at registration time in the area where registration is taking place.

SPECIAL NOTE**

Faculty members, staff members, and spouses who wish to register for daytime classes must be properly admitted through the Admissions Office.

ACADEMIC STANDARDS

Students at BYU must maintain a minimum grade-point average according to their year in school:

Freshmen (students with 32 semester hours of credit or less) must maintain a 1.75 (C-) grade-point average to be considered in good academic standing.

Sophomores, junior, and seniors are required to maintain a 2.00 (C) grade-point average on all work beyond the first 32 semester hours of credit.

To graduate from BYU a student must have earned a 2.00 cumulative grade-point average on both his total college work and his BYU work.

There are three categories of academic status:

WARNING

An academic warning is given to a student whose cumulative BYU grade-point average is above the minimum standard required for his class (1.75 for freshmen and 2.00 thereafter), but whose grade-point average for the last semester was below the minimum.

PROBATION

A student whose cumulative BYU record does not meet the minimum requirement and whose record shows a shortage of grade-points will be placed on academic probation. Probationary students are not eligible for BYU scholarships or awards.

SUSPENSION

A probationary student carrying a full load will be suspended from the University if his cumulative G.P.A. at BYU shows a shortage of grade points from that required (1.75 for the first 32 semester hours and 2.00 for all remaining hours), and he has not made a four grade-point improvement during his current semester.

WARD MEMBERSHIP PROCEDURES

Dear BYU Student:

The General Authorities have organized ten stakes and over ninety wards on the campus in order that each individual member of the Church might have the opportunity to take an active part in spiritual activities while in school.

The following procedures concerning ward membership have been given to us by the First Presidency:

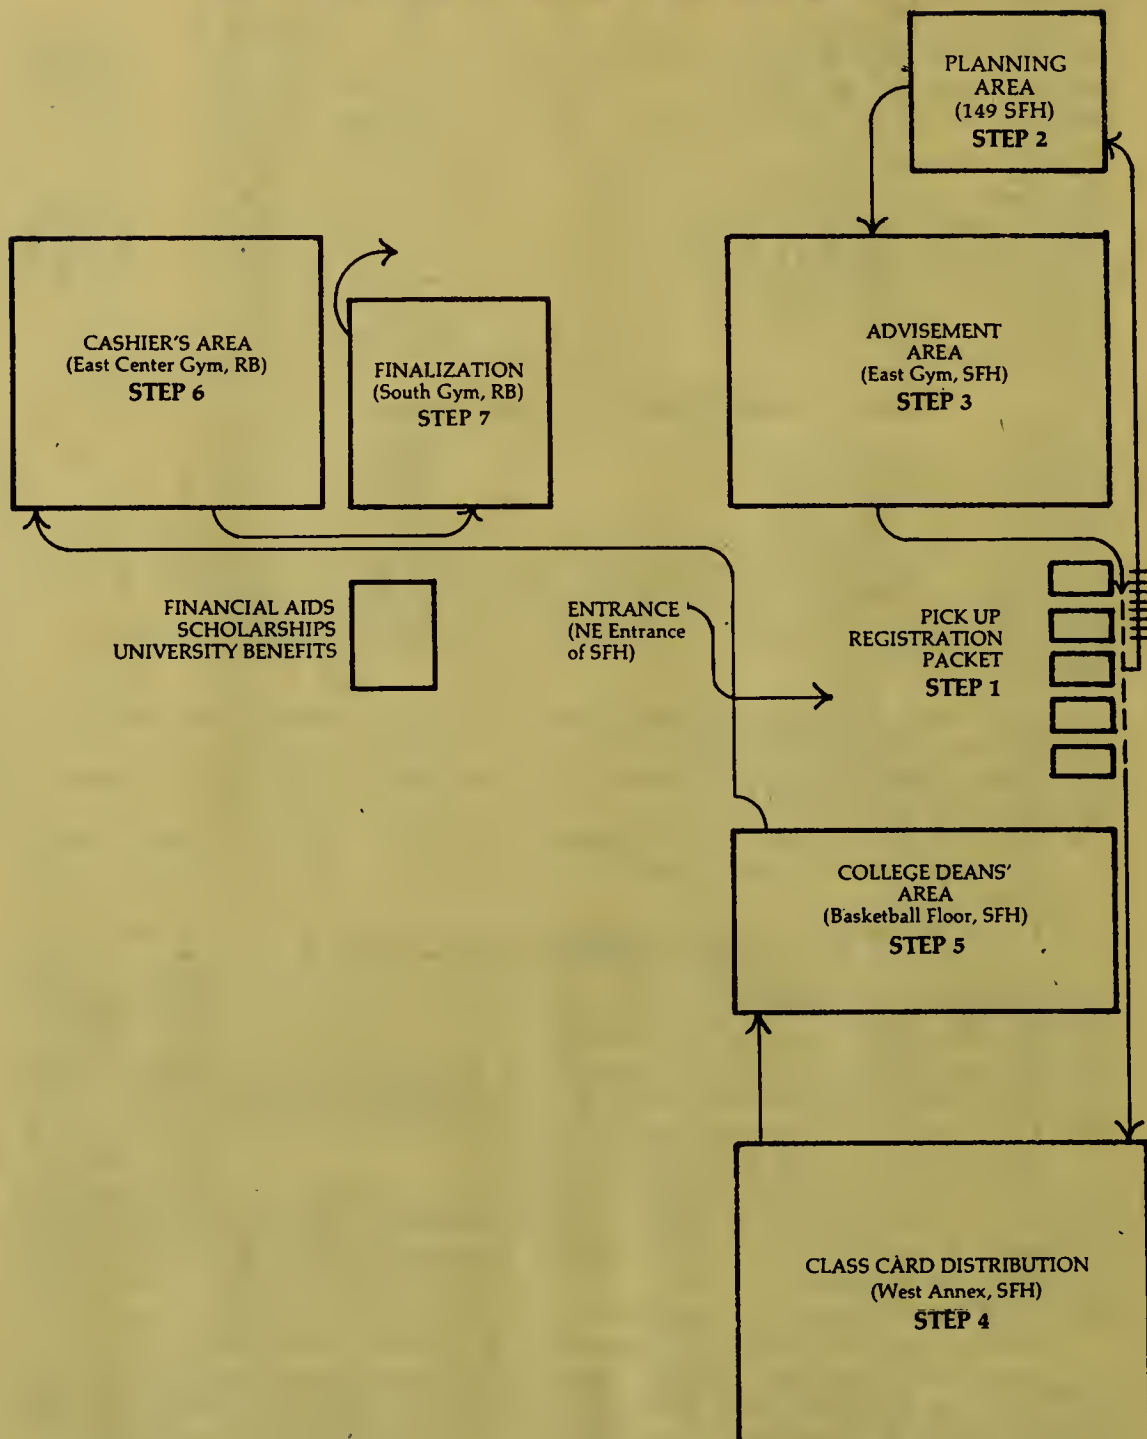

1. Each ward on the campus has been given a clearly defined area from which it must derive its members.
2. Each single student living away from home must attend the BYU ward in which he or she resides.
3. Single students living with relatives may elect to attend the ward in which the family lives, or may elect to attend the BYU ward in which he or she resides.
4. Single students living with their parents must attend the off-campus ward in which the family lives unless the Bishop of that ward agrees with the Bishop of the BYU ward that it would be in the best interest of that student to attend the BYU ward. In case they cannot agree, a determination may be sought from the First Presidency.
5. A single person who is not a student at BYU, but who is living away from home, may attend the campus ward in which he or she resides.
6. All American Indian students are invited to be members of the BYU 58th, 92nd and 97th wards of the BYU 2nd Stake.
7. A married couple, providing the husband or wife is a BYU student, may elect to attend the off-campus ward or BYU ward in which they reside. Married students living in campus housing must attend the BYU ward in which they reside.
8. All Asian students are invited to be members of the Asian Branch (a dependent branch of the BYU 63rd ward) of the BYU 4th Stake.
9. A student attending a BYU ward during the regular school year may continue attending that same ward during the summer months, or may attend the ward in which he or she will reside during the next semester.

We encourage you to take an active part in the Church and to lend your support to the success of religious activities on campus. May the Lord bless and prosper you during your stay at Brigham Young University.

Sincerely your brethren,

Joseph T. Bently, President, BYU 1st Stake
 Clyde D. Sandgren, President, BYU 2nd Stake
 Fred A. Schwendiman, President, BYU 3rd Stake
 William R. Siddoway, President, BYU 4th Stake
 A. Harold Goodman, President, BYU 5th Stake
 Wayne B. Hales, President, BYU 6th Stake
 Dean A. Peterson, President, BYU 7th Stake

HOW TO REGISTER

1. **PICK UP YOUR REGISTRATION PACKET.** (Above green seats, SFH) Show your activity card or admission slip as you enter the building. If you have lost your activity card there is a person with a master list of all the activity cards who will issue you a duplicate registration permit. Pick up your registration packet at the tables in the stands according to the last number of your activity card.

2. **FILL OUT TRIAL REGISTRATION CARD.** (149 SFH) Proceed to the writing room 145 SFH, just across the hall from the East Gym and fill out your trial registration.

3. **MEET WITH YOUR ADVISER.** (East Gym, SFH)

He will be seated at his department table in the East Gym. His purpose is to approve your schedule, not to plan it. Those who have not decided on a major will be advised in the General College area.

4. **PICK UP YOUR CLASS CARDS.** (West Annex, SFH)

They will be grouped on tables in the West Annex according to college. After you have picked up all your cards, copy your schedule on the official enrollment card.

5. **CLEAR WITH COLLEGE DEAN.** (Main playing floor, SFH)

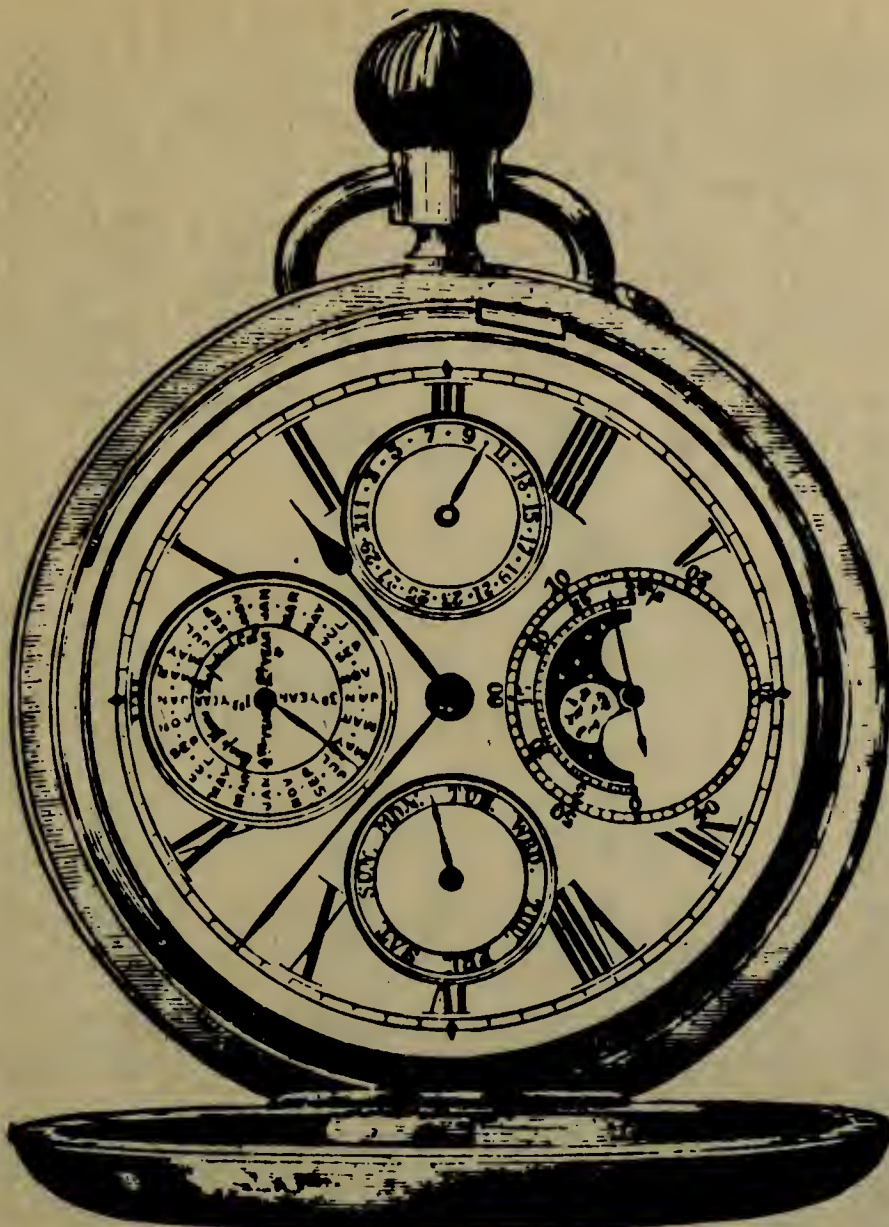

Your card will be double-checked for any mistakes then signed by your dean. If you have a car clear with traffic for automobile registration and permit—East Bend of Track.

6. **PAY TUITION AND FEES.** (East Center Gym, RB)

The Banyan, and student insurance, can also be paid for here. Financial aids are located in room 133 across the hall from the cashier's area.

7. **FINALIZE REGISTRATION.** (South Gym, RB)

Your packet will be checked at the checkout table. Class cards should be arranged in the same sequence as listed on the official enrollment card. Foreign students should get approval at the foreign student table. After finalization men should check at the selective service or veterans table.

FINAL EXAMINATION SCHEDULE

FINAL EXAMINATIONS

No teacher shall be authorized to complete a final examination for any student for any reason before the officially scheduled time in the final examination week.

A student who misses the final examination must have a good and sufficient reason for so doing and must have the consent of the instructor and the approval of the dean of his college. After meeting these requirements the student shall be given an incomplete which can be removed by later examinations within the official time limits established for incompletes and by the payment of a \$3.00 fee.
